Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants' Second Information Disclosure Statement of May 13, 2005 provided two Japanese language disclosures to the Examiner, but appears to have omitted a JPO Action that cited them. To ensure completeness, Applicants also submit the JPO Action herewith. At this time, Applicants also submit a U. S. patent corresponding to the previously submitted JP7-288845 application. Applicants are enclosing an Information Disclosure Citation Form (PTO-1449) that cites the JPO Action and such U. S. patent.

It is respectfully requested that the cited documents be considered by the Examiner in the above-identified patent application and that the cited documents be made officially of record therein. It further is requested that a listing of the same appear on the face of any patent which may issue from this application.

Although a first (non-final) Office Action recently issued for this application, no fees are believed to be due because the JPO Action was issued no more than three months before submission of this supplementary Information Disclosure Statement.

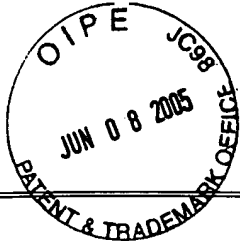

Respectfully submitted,  
SMITH, GAMBRELL & RUSSELL, LLP
